Understanding Bylaws: A Guide for Directors of Not-For-Profit Organizations, 2nd Edition: *Sound bylaws can make or break a not-for-profit organization. As an organization's ultimate authority, they are what members, directors, and staff use to guide their decisions and create their policies. This book brings in best practices and model wording to help with your bylaw creation or amendment. While focused on societies, many clauses/practices are universal.*

Exceptional Board Members, Exceptional Boards, 2nd Printing: *What does it take for a merely competent board member or even a very good one to become an exceptional board member? This book will help you identify the characteristics and behaviours that take directors beyond legal obligations and basic expectations to a truly inspired – and inspiring – volunteer contribution. There are many tools and templates in this volume.*
